We have chosen the course to utilize lightly traveled roads wherever possible.

We encourage all riders to observe safety regulations, safe rider etiquette, and to ride defensively.

SAG wagon support will provide transportation to the finish line for riders who experience mechanical problems or those unable to complete the ride.

Parts of this ride are hilly; choose your distance accordingly. Please be prepared to handle your own flats and minor repairs. Rest stops with water and restrooms will be located at 10-12 mile intervals. The course closes at 3:00pm.

Wimberley EMS will be on the course as well.

Bicycle Sport Shop mechanics will be available at the start/finish line.

Cattle Guards

The course crosses several cattle guards; use care crossing them. Please walk your bike across them if you are not comfortable riding across them.
